Participation fee

You can e-mail us your inquiries and specifications. There are no participation fees and the artist's fees cover only the design and the cost of printing. To obtain your art book, prices start at 130 euros per page (or the equivalent current) and they include the offset printing and the time required for creating the layout. (min 50 pages)

Specifications

The publication of 1000 copies is a large-sized hardcover book of 30X22cm/12X9,5 in (other options available, according to the demands of the artist), in a specially created layout per page, a quality print on silk art paper. The book is bound and fully colored, a true collector's art item. We can also provide a unique creative writing or an introductory essay, or a critique of the artist's work by our writers.

Retail

Collectible Art Book limited edition is a unique publication. Each copy is authentically signed and numbered by the artist, which optionally can include an original artwork-sketch, photography, drawing which retrospects a process that goes beyond the value of an investment to an art object. The book price in bookstores and e-shops varies from 200 euros to 1.700 euros per copy, depending on the number of copies, artist's signature and uniqueness of the artwork included.

Distribution

The most important marketing venue is the huge website Amazon.com. The book will be also distributed in book chains such as Barnes and Noble, Borders and other big bookstores in the USA, Canada, Europe and Australia.

Royalty

The artist's royalty is defined depending on the retail price and the distribution cost.
